

CARDIFF OPEN 2009

Following the success of last year's event Cardiff Wildcats are proud to announce that we will be running the second annual Cardiff Open on the 12th and 13th September 2009. The Open is an indoor 6-a-side tournament and will be staged at the sports complex at Cardiff University's Talybont campus on Western Avenue, Cardiff.

Cardiff Wildcats Volleyball Club, in conjunction with the University, are organising the very first indoor 4 court competition to be held in Wales!!

The club made the decision to stage the tournament in September, as they felt it was an ideal opportunity for regional and NL teams to 'test the water' with friendly matches, before the season proper starts

We hope you see the benefits of such an event and decide to enter.

Entry is £60 per team you may enter as many teams as you wish
We are targeting regional and NL div 3 levels specifically.....but if you wish to enter and are undecided about your team's level, please do not hesitate to get in touch.

Entry forms are available on our website (see below)

Should you require any more information we have email addresses for you to contact too.

We are hoping to attract 12 men's and 12 ladies team's, which will allow us to offer you competition (time set) against another 11 teams over the weekend

Come along visit the wonderful City of Cardiff, see the sites, enjoy your time here
